“Our offering is divided among various projects. We ensure that some of the funds continue to support the charity Les Restos du Coeur who provide food packages to those who need them. We also give to help build God’s kingdom in France. This year we will be supporting Vision Ouest, a Christian group who wish to revitalise 5 regions in west France, including the Vendee, with every town having a Christian presence. We also give grants to our volunteer team members for ministry training to enable people on low incomes here. Finally, 2024 offering will help support the SHH Sponsorship Fund which support to our amazing animateurs without whom we can’t deliver our amazing programme.”
