*"It's like being a kid in a sweet shop!
A heated onsite pool, beautiful summer weather
and French countryside, gorgeous wine, bread
and cheese and – to top it off – hundreds of
awesome board games and so many other
gamers to get to know and to play with."*

BOARD GAMES HOLIDAY

Le Pas Opton, France

11-18 SEPTEMBER 2023

BOARD GAMES HOLIDAY

11-18 SEPTEMBER 2023

THE PARK

Le Pas Opton is perfect for board gamers. Games tables are set up close to the bar, takeaway and coffee shop. The pool is nearby too – great for cooling off whenever you need a break!

You are free to choose your activities every day, whether it's a beach trip, a game of walking football, miniatures painting or wine tasting. Many guests attend the informal Bible study in the bar each morning and an evening worship gathering.

YOU ARE INVITED TO THE LARGEST WEEK-LONG BOARD GAMING EVENT IN EUROPE.

The Board Games Holiday gathers over 100 UK gamers along with other guests at Le Pas Opton, our four-star holiday park in Western France.

Whether you're new to the hobby or have been enjoying board games for years, you'll love the range of games available – over 300 – and the opportunity to play them with many different friendly people.

Alongside open gaming, you can choose from various free tournaments and a programme of other activities, including the optional programme of morning Bible talks and evening celebrations.

Tournaments include:

- Three-round tournaments of Catan and 7 Wonders
- Pick 'n' Mix tournament where everyone plays four different games, including one of their choice!
- Knock-out tournaments such as Hive and Star Realms
- Team tournaments of Codenames and Catan
- The Hexathlon: for two days, all results are recorded and the player with the best six results is declared Hexathlon champion – the ultimate gaming accolade

EXTEND YOUR HOLIDAY

Make the most of your time in France by adding a second week. 18-25 September is the last week of the season. With fewer guests on-site, it's an ideal wind-down after what can be an intensive week of gaming. It costs as little as £30 to stay twice as long!
