Read on to find out...

LE PAS OPTON

Quick fact, our holiday park is also called 'Le Pas Opton', or LPO for short.

RELAX REFRESH RENEW

LPO is special because God is at the heart of everything we do. So yes, there's space to unwind, reconnect with family, soak up the sun and jump in the pool, but there's also time to slow down and focus on God. You'll refresh your spirit, soul and body.

YOUR HOLIDAY YOUR CHOICE

Explore the local region, take a dip in the pool, hire a bike, take part in sports tournaments, join in the morning Bible study - pick and choose your perfect holiday.

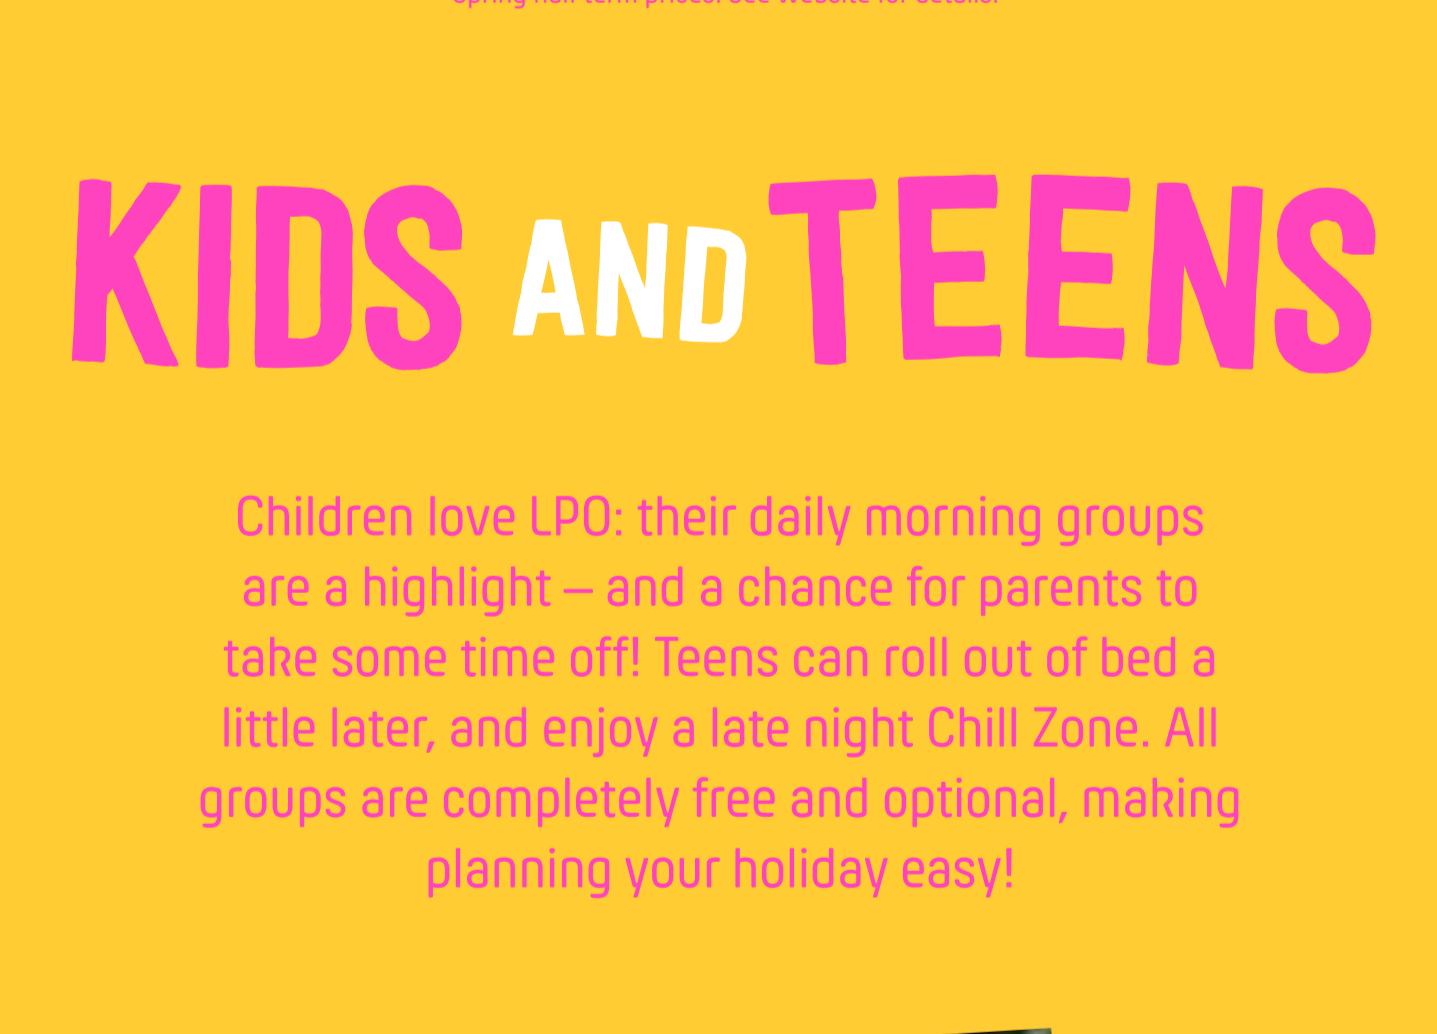

MOBILE HOMES VILLAS OR TENTS

Your home from home

Take your pick: mobile homes with spacious living areas and decking for al-fresco living, fully-equipped tents for campers who don't want to bring everything with them, villas offering home comforts and private gardens or bring your own tent or caravan.

Prices start at £380 for fully-equipped tents, £530 for mobile homes and £12200 for villas and all prices include a Dover-Calais ferry!*

*Spring half term prices. See website for details.

KIDS AND TEENS

Children love LPO: their daily morning groups are a highlight – and a chance for parents to take some time off! Teens can roll out of bed a little later, and enjoy a late night Chill Zone. All groups are completely free and optional, making planning your holiday easy!
